

# Old Covenant

- 1) Sin separates God and man (Isa 59:2)
- 2) Satan has power of death (Heb 2:14) and is prince of the power of the air (Eph 2:2)
- 3) God and man relationship (old heaven and earth) based on animal sacrificial system and earthly priest mediator. Access for any or all believers not allowed in "holy of holies" (Heb 9:8-9; Rev 15:8)
- 4) Man came to God becoming a part of the Jewish nation (circumcised if a male). Follow 613 laws and followed sacrificial system, but only priest could be mediator in presence of God once per year-blood.

# New Covenant

- 1) Sin removed by the blood of Christ
- 2) God now dwells in the church with man/believers (Rev 21:3; Eph 2:19-22, 3:21; Eze 37:24-28)
- 3) All believers are now priests and have access to God through Christ (1 Pet 2:5,9)
- 4) No one is born a child of God with access to His covenant as was in the Old Covenant nation of Israel. Now born again to become believer (Rom 10:9-10; John 3:3; Col 2:11-12)
